INVITATION

It is a great honor to invite you to participate in the the Business – Academia Partnership Workshop, an event organized within the “**Business driven problem-based learning for academic excellence in geoinformatics - GEOBIZ**” Project, 610225-EPP-1-2019-1-HR-EPPKA2-CBHE-JP610225- EPP-1-2019-1-HR-EPPKA2-CBHE-JP, ERASMUS+KA2 educational project, which will take place on **Thursday, May 19, 2022, from 9:30 AM** at the Faculty of Constructions, Geodesy and Cadastre, Technical University of Moldova, Chisinau mun., 41, Dacia bd., Block of study nr. 10, hall 10-302.

The workshop is organized by the Tiraspol State University/Faculty of Geography in partnership with the Technical University of Moldova/Faculty of Constructions, Geodesy and Cadastre, partner institutions in the ERASMUS+ KA2 educational project – GEOBIZ (<http://geobiz.eu/>).

Representatives of public institutions, academia and business in the field of GIS are invited to the Workshop. The purpose of the workshop is to highlight the academic excellence in Geoinformatics through a fruitful and active involvement of business representatives in the process of teaching and research in the field of Geography, Geodesy, Geoinformatics etc. The open-source solutions in geographical research are very useful and give many opportunities to the young researchers to develop new ideas and their own projects/researches, and some of the solutions will be presented during the workshop. Another issue that will be covered is about the sharing knowledge and experience of private, academic and public institutions about the challenges in these areas, new forms of Business-Academia cooperation which will support modern and business oriented education.

We would be honored to have you participate in this event and we are convinced of your valuable contribution to it.

The Agenda of the event is attached.

Regards,

The GEOBIZ Project implementation team
